

Administrative, Budget and Personnel Committee

Meeting Minutes

July 5, 2016

Meeting was called to order at 6:32 p.m.

Scott Ploeg and Josh Endsley were in attendance of the meeting.

We have sent the audit paper work to Walker, Fluke and Sheldon and are waiting to hear back when they can get the audit set up.

We have the paperwork all set for the Munn resolution. We will have the council and all people that need and want to attend this meeting/vote to come at 6:30 pm prior to our July 11th council meeting so we don't have to have a special meeting to go over this, as we have already voted on this before, and it shouldn't take long to go over and vote.

Chris Sheppard had address both of us about making sure there was \$100.00 set a side in the budget for uniforms, and there is.

The garage phone is not needed anymore and should be voted on to cancel this line.

I would like to make a motion to vote on Mike Dougherty to be added to the council.

We will need to perform a job review with DPW worker, Chris Sheppard.

The meeting was adjourned at 6:50 p.m.
