

Water Committee Minutes  
May 3, 2017

Meeting called to order 6:30pm

Present: John Raymond & Mollie Wilkins

Public: Broc Reaser & Chris Shepard

Chris Shepard repaired a leaking valve at 265 County Line Rd.

There are currently 15 meters in need of repair.

The village billed for 7,282,250 gallons of water, 13,223,000 were actually pumped.

Latest water sample, LH09712 tested "not detected" for coliform organisms.

Meeting adjourned at 7pm
