

Water Committee Minutes

June 05, 2018

Members/Public Present: Theresa Faunce, Tim McKay, John Raymond, Russ Yarger

Meeting called to order at 6:30 PM

Received water sample LH86980 with a "not-detected" result for coliform organisms.

Discussed the addition of a back-up water operator and will schedule a meeting with him later this month.

Discussed the marker light on top of the water tower which is need of replacement. The cost of replacement is \$1750 for the light and an additional \$400 for installation.

Discussed the identification of any lead components in our water system. This is a 4-year initiative that will be required by the DEQ. There will be more in-depth discussions as we continue to progress.

No water meters were completed this month due to the busy schedule of the DPW.

Meeting adjourned at 7:00 PM
