### Cherry Street Project

We have a date! Michigan Paving & Materials has scheduled the Cherry Street repaving for the week of October 12th pending weather. They will be milling down 2", paving the road and top dressing the shoulders. We are fortunate to have secured a grant providing half of the cost (over \$40,000) for this project. Please make sure the road right of way is clear of any items during this time period. We have heard that some homeowners are interested in having some additional paving done to your personal property while they are here. You would need to contact them directly at 616-235-2284.
